REFLECTIONS

TAKING TIME TO REST IN THE LORD

By
The Catholic Formation Team

How many times do we “bite off more than we can chew?”

Are you the super parent who is at every event, taxis all the kids, and feeds the neighborhood? Are you the super spouse who anticipates the needs of your loved one before he/she says a word? Are you the super friend who has a thousand things on your plate and when called, you always show up? Are you the one who EVERYONE calls because they know that you can't say NO? Are you the one who...

How many times do we hear the Lord call us to sit at His feet? He continues to want a relationship with us and for us to trust in Him. So often, we are consumed with life, or it feels like life consumes us. We convince ourselves that we are just in the busy season of life and we are. But, as we enter into the season of Lent, you are invited to take time. Time for reflection, meditation, contemplation, and prayer. Nurture your relationship with Jesus by resting at His feet and trusting in Him. Take time to marvel at His creation. Take time in gratitude over His suffering.

If you are able to rest in His great love for you, then your life will open up to a new world. St. Ignatius had spiritual exercises that can condition you to recognize your humanity: a daily acknowledgement of consolation (what draws you closer to God) and also desolation (what draws you away from God). And rather than feel defeated about His divinity, we are able to take time to recognize where God fits into our life. (Even suffering has its beauty.)

Allow yourself to stop. Allow yourself to say no. Allow yourself the time to sit in silence. Allow yourself time to grieve or celebrate the big and small victories or defeats. Allow yourself to feel. Allow yourself the freedom to

REST IN HIS LOVE FOR YOU!

NEWS FROM THE ICSP BUSINESS OFFICE

First off, I would like to say “Thank you” to everyone who has welcomed me into the ICSP staff, councils, and groups. It has been an absolute blessing to be a part of this parish community! The church staff and volunteers are absolutely amazing.

We have a lot, and by a lot, I mean *A LOT* happening here within the Business Office the beginning of 2025!

SIGNAGE UPDATES

If you haven’t noticed yet, please look around! We now have the outdoor signs up at St. Mary School and Immaculate Conception for both office locations. We look forward to the sign going up in front of the church this spring. This will complement the existing signage and provide better directional flow for the site for our visitors and parishioners.

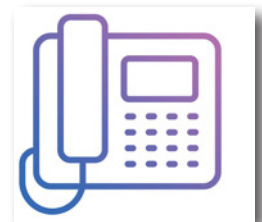

COMMUNICATION SURVEY

A Communication Survey will be going out soon by both email and hard copies to our parish members. Your feedback is valuable and will help us at the Business Office to ensure we are communicating effectively and efficiently to our community. Please keep your eyes out for the survey, which will be going out the end of February with responses due back by mid-March.

PHONE SYSTEM UPDATE

We are excited to announce an upgrade to our phone system at both the church office and St. Mary School. This upgrade will improve the service and support of our phones, accessibility, call quality and more efficient routing. We anticipate minimal disruption during the transition that will be occurring over the next month.

There are more exciting changes coming from the Business Office this spring. We look forward to sharing those on the next newsletter!

CHANGES IN THE OFFICE

We are thrilled to announce that Julia Lammert has accepted the position of Communications and Graphic Design Specialist for ICSP, CF, and St. Mary School. Julia has been involved in current and past communications, but with her role being more defined, she will assist in helping with development procedures and processes, update the websites, expand our social media presence, and improve communication flow for our community. We are excited to see the positive impact of her work!

NEWS FROM THE ICSP BUSINESS OFFICE

TITHING AND NEEDY FUNDS

Did you know?

The Church maintains a special fund called the “Needy Fund”. We normally take an offering around Thanksgiving to support this. From this fund we purchase Scrip gift cards for Walmart (food) and Kwik Trip (gas). During office hours, those in need can stop by to get a gift card along with a resource sheet for local help. We track card distribution to keep it fair and make sure the program is not being abused. All we ask in return from the recipient is to pause and say a prayer with available staff.

The churches (IC and St. Patrick’s) also tithe to different charities. You tithe to the church, the church tithes to others. The Finance Councils at both churches help decide who the recipients are each year. A percent of our Adult, Youth and loose weekly collections is allocated to this.

ONLINE GIVING

Did you know that giving online, or setting up auto-pays helps the Church to manage its budget better? When people opt to use these, we see consistent giving, which helps us to better manage our general accounts, which are used for payroll and facilities. Summers are the worst for us, as less people are at Masses, and the bills continue to come in regardless. This is the time of year we normally barely make payroll and sometimes take out a line of credit to cover expenses.

- We know we have a very blended parish when it comes to how you give. Some prefer their box of envelopes at the start of each year – and that is totally fine! We have no intention of discontinuing these.

- Then we have those who don’t want to use any online systems but would like to have auto-pays done with either their credit card or bank account, that’s also fine! We have forms available on our website, Electronic Giving which you can fill out and turn into the office.

- Some choose to use online and mobile tools, provided by “Vanco” (our system of choice for online giving). We have included the instructions (to the right in blue) if you would like to use this method. You can also stop by the Business Office if you want some help setting it up.

(IC) What’s a QR Code for?

Quick Response codes are scannable codes, which when using the camera on your smartphone will launch you to a website (try scanning this code). We use QR codes within our Church bulletin (for both IC and St. Patrick’s) and sometimes on printed materials to make payments easier. If you have not used Mobile giving in Vanco, you may be asked to set up your account when you scan. Know that this is a trusted source the Church is providing. You’ll be amazed how simple it is to use.

STEWARDSHIP CORNER

EVANGELIZATION STEERING COMMITTEE

by Julie Riel

We are a new committee on the Council of Ministries at Immaculate Conception. We are an evolution from the Strategic Planning committee that you may have heard of in the previous newsletters over the past year.

With the letter from Bishop Powers dated May 2023 each church has been called to move from being a church of maintaining, surviving, to being a church of evangelization, growth and invitation. Not an easy task for many Catholics. It takes us out of our comfort zone, at least mine.

The Evangelization Committee's purpose is to introduce and drive evangelization in all that we do in our parish life by looking at our existing programs, introducing new programs and how they all fit into evangelization. Are we doing them with intentionality of evangelization, by growing ourselves in our faith, by welcoming and inviting others?

Members of the Evangelization Steering Committee are liaisons to the many ministries within our parishes. These liaisons have a focus which came out of the planning session our parishes had over a year ago, identifying areas of importance to our parishes. They are:

Catechesis and Formation – It was evident that parishioners want to learn more about their faith, both adults and youth.

Communications – Many expressed that we need to strengthen our communication to our parishioners.

Community – There was emphasis on rebuilding our community both inside our church walls and outside our church walls. Personal connections with each other.

Resource Stewardship – How do we invite people to be involved in our parishes beyond just monetary?

Spirituality – Beyond learning, beyond attending, how are we invited to practice our faith on a very personal level with our God and Jesus and all our faith has to offer?

Each liaison will be working with the various ministries in our parish to promote and recognize evangelization in all that they do. Many of what we already do is evangelization, we just don't recognize it. When we have greeters at the doors, welcoming people in; when we have music that invites us deeper into the liturgy; when the Eucharistic Minister looks you in the eye and says "Body of Christ; when the children leave for children's liturgy full of excitement; when you see a new person or someone you don't know and introduce yourself; when we have a funeral, cooking, cleaning, comforting a grieving family; when we offer adoration, spending time with Jesus on a deep personal level.

When we recognize it and do it with intentionality, we realize we have been evangelizing and didn't even know it. But we can grow even more.

On average we have been registering five new families a month between our two parishes. We are growing. How do we welcome them, invite them, include them in our parish and individual lives? I like to think of our parish as a gang, a gang for Christ. Youth that have joined gangs have expressed that they were looking for a place to belong, someone who cared for them, someone to hang with. Let us become a gang for Christ, a place that welcomes, includes and becomes a place where we want to hang out.

It will be an exciting year for the Evangelization Steering Committee as we develop a five-year plan, get our feet on the ground of identifying and implementing what, where and how we interact with the parishes and each other. My hope is that you will see action and definition from this committee. I'm not naïve to think this will happen overnight, but it will happen ever so slightly that it will become a way of life for each of us if we choose.

We will have a table at the Ministry Fair March 1 and 2 after all Masses. Please take some time to come meet and greet us, ask questions, inspire us with ideas, share your thoughts where you would like our parishes to grow.

Our vision is *Grow in our Faith and Lead others to Christ*. Simple yet profound, let us do this together.

In each publication, the Stewardship Committee will feature a ministry or two.
If you happen to have a group you would like featured, please reach out to Terry Palmer at palmert017@gmail.com

BUILDING FAITH
BUILDING FUTURES

ST. PATRICK'S BUILDING PROJECT CAPITAL CAMPAIGN IS SCHEDULED TO BREAK GROUND *THIS SPRING!*

St. Patrick's is excited to announce that the Capital Campaign Building Project is scheduled to break ground this Spring! Last April during presentation meetings parishioners reviewed and discussed plans to create new classrooms for our Catholic Formation Program, expand worship seating in the church, remodel Blarney Hall, and complete kitchen improvements.

As of January 22, when this article was prepared for the newsletter, the campaign had raised **\$1,066,940** in financial commitments. Our initial goal was **\$1,038,000**, and with that goal reached, we are continuing to focus on raising additional funds for a "small contingency" beyond the initial estimated project cost, in the event that we discover unforeseen issues connecting our building with the new expansion as well as potentially adding improvement items.

We have met the cash requirement of **\$504,000** that we need to obtain diocesan approval to proceed. As of January 22 we have raised **\$647,346**.

Our contractor, Derrick Building Solutions, has been working with Studio EA on the architectural drawings, and those drawings are now posted in church for the parishioners.

Derrick Building Solutions is currently in the process of updating the initial budget, and once we have that new number, we will share that with the parishioners.

For more information about how you can offer your financial support for the capital campaign, please contact Susan Baustian - smbaustian@gmail.com.

Thank you to everyone who has offered their prayers, encouragement, and financial support to make this long-awaited dream move closer to becoming a reality for the children, youth, adults and seniors in St. Patrick's.

CATHOLIC FORMATION NEWS

FIRST SACRAMENTS UPDATE

Thirty-two children from Immaculate Conception and St. Patrick's received their First Reconciliation in December. Please pray for them as they prepare for their First Communion the weekend of April 26-27, 2025.

This January 21-26, 2025, two high school students from our two parishes, along with the Diocese of Superior went on a pilgrimage to Washington, D.C. to participate in the March for Life. Although the ruling of Roe v. Wade was overturned, there is still a reason to march. Life should be celebrated from the moment of conception to the moment of natural death, as well as all the steps in between. The focus of the march is to help build a culture and a world where all of life's moments are celebrated, valued, supported, and protected. The goal of the national March for Life is not only to change laws on a state and national level, but to change the culture to support mothers and to make abortion unthinkable.

The pro-life movement goes beyond just abortion, however, which is why we were in Washington, D.C. We were able to take time on the National Mall, Holocaust Museum, celebrating Mass at the St. John Paul II National Shrine, attend the Students for Life Summit and visit the National Basilica of the Immaculate Conception. This pilgrimage was both physically and spiritually challenging. We were marching and praying with over 150,000 people from across our great nation. Each day we began with a holy hour of Mass and ended with fellowship, large group talks, small group discussion and night prayers. Even the bus trips were filled with songs, bible trivia, and morning and night prayers from the Liturgy of the Hours. It has been a blessing to be able to represent Immaculate Conception and St. Patrick's parishes as well as the Diocese of Superior. It was an honor to chaperone and be a witness to these two young mens extraordinary faith. They are exceptional human beings.

– Karen LaBossiere, Youth Discipleship

The Walking With Moms In Need-Respect Life Group would like to thank all those that participated in the Halley Martin Family Fundraiser. Your generosity at the brunch and purchasing pies enabled us to raise and send the Martin family **\$4,686.00. \$435.00** came from the sale of pies. This was much needed and greatly appreciated by the Martin family.

Thank you for supporting this family in need!

Free child care will be provided by the Respect Life Group for parents of young children to have an Evening Out on Saturday, March 15 from 4:00-6:30p.m. in the children's room in Corrigan Hall. All are welcome to participate in this free opportunity.

Coming soon: The Walking With Moms In Need-Respect Life Group will soon have brochures printed that let people know we are here to help. There are Moms, Dads, or families who may need help financially, emotionally, or to get through a trying situation. The brochures will let people know that we, as a parish family, are here to help as needed. It will also include information about various services that are available in the community.
